City of Ukiah

NEWS RELEASE

DATE: February 5, 2020
FOR RELEASE: IMMEDIATELY
THROUGH: April 2020
SUBJECT: Gobbi Street Underground Construction Suspended
INFORMATION: Scott Bozzoli, Project Manager

Effective 2/7/2020, the City of Ukiah has suspended the Gobbi Street underground construction work until spring 2020 due to soil conditions created by recent rains. When soil conditions improve, the City's contractor, St. Francis Electric, will resume the installation of electric, phone and cable TV infrastructure. It is anticipated the underground work will resume in April 2020.

We have received significant support for this project and would like to thank the area residents and business owners for their cooperation in providing easements and design recommendations. The Electric Utility team looks forward to completion of the project this summer.

Questions regarding this project should be directed to Scott Bozzoli, Project Manager at 707-467-5775. Thank you.

for Sage Sangiacomo, City Manager
