

2019 “Strike Out Cancer” Softball Tournament

On Saturday, October 5th, the City of Ukiah Recreation Department hosted two slow-pitch softball tournaments sponsored by the Hillside Health Center. Fifteen softball teams came together to raise awareness for Breast Cancer by playing in either the Women’s Double Elimination Tournament or the Men’s Wood Bat Tournament. This is the 4th annual Strike Out Cancer where the City of Ukiah has partnered with the local Cancer Resource Centers of Mendocino County and Mendocino College Softball to raise awareness and monies for both programs.

The Men’s Wood Bat Tournament was won by Streamline Gutter in a well contested game against GHB. Streamline was led by MVP Jason “batman” Sanders. Most games were close and entertaining. Streamline was undefeated.

The Women's Tournament was won by Eversole Rack Pack and the team was led by MVP Katie Smallcomb. The City of Ukiah would like to thank the tournament sponsors, Hillside Health Center, Ukiah Trophies and GI Joe's for providing funds for prizes and giveaways. They would also like to thank Donors, participants and spectators that came out to help raise awareness for Breast Cancer. The City of Ukiah is proud to say they are donating \$1,000 to the Cancer Resource Centers of Mendocino County. Donating locally assures funds stay locally. Thank you Mendocino College Softball Team and Coaches for executing the Tournament. On Sunday the 7th of October a follow up Corn Hole Tournament was held at the City of Ukiah Softball Complex with 17 teams participating and fun had by all
