Application for Unreasonable Hardship Determination for Accessibility
Upgrades – Under Valuation Threshold

PURPOSE:

When improvements are made to existing commercial and multi-family structures, Section 11B-202.4 of the 2016 California Building Code (CBC) allows for an exception in lieu of bringing the entire structure or facility up to compliance with current code standards for accessibility requirements. CBC 11B-202.4, Exception 8, states that projects with a construction cost less than the current (based on ENR Construction Cost Index Amount) valuation threshold (including the cumulative valuation of projects within a 3-year period) are eligible to provide disabled access upgrades equivalent to at least up to 20% of the cost of construction in the required priority as listed below.

VALUATION THRESHOLD AMOUNT: \$161,298

YEAR: 2018

TO APPLY:

The owner/applicant/architect shall complete and submit this form with the permit application. (If needed) an accessibility site review will be completed and the Building Official will determine if the exemption may be granted.
