During work hours from 7 AM to 6 PM your street will be closed to traffic. No cars will be permitted to park on these street sections during construction work hours. Please remove all objects from the street including basketball hoops. Please do not drive, bicycle, or walk on these streets until permitted by the construction crew. Please do not allow pets outside during street closure. Our goal is to complete the necessary improvements to the streets as quickly as possible, which will benefit all of our citizens.

Further questions regarding the project should be directed to Andrew Stricklin, Department of Public Works at 463-6297. We thank you for your patience and understanding.
