**WORKSHOP SCHEDULED TO DISCUSS PROPOSED WAGENSELLER NEIGHBORHOOD PARK**

**Ukiah, CA. August 2016.** The City of Ukiah Planning and Community Development and Community Services Departments are conducting a public workshop to discuss the creation of a park in the Wagenseller neighborhood. The workshop will take place August 30, at 5:30 p.m. at City Hall, 300 Seminary Drive in Ukiah.

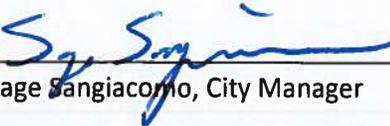

The goal of the workshop is to identify and discuss potential locations for a neighborhood park. The workshop is considered the second step in the creation of a Wagenseller Park Location Feasibility Analysis Study currently underway by the City of Ukiah.

The City's General Plan contains several goals, policies and implementation measures encouraging the creation of a Wagenseller neighborhood park. Although funding is not currently available to construct a park, the Park Location Feasibility Analysis study is viewed as a first step. Once completed, the study will prepare the City for future funding opportunities.

The community is invited to participate in this informal workshop, expected to last about 1 hour.
