

Would you like to do something special and unique as a remembrance for a wedding day, birth of a baby, term of office, retirement, or for a favorite friend, graduate, or even yourself? The City of Ukiah offers a Commemorative Bench and Tree Program as an alternative to traditional gifts. Families and friends, service clubs, and other community organizations can also take advantage of this opportunity to make a lasting memorial in the name of someone special. At the same time, you are making a valuable and worthy contribution to the community and adding to the lasting beauty of our parks.

Community Services Department

## Commemorative Bench & Tree Program

411 West Clay Street  
Ukiah, CA 95482

## Commemorative Program

The purpose of this program is to offer an opportunity to celebrate an event or memorialize a loved one, while improving City parks. Many City parks are in need of benches and/or trees. The exact park and location will be discussed with the donor. The Community Services Department staff will coordinate and install the bench and/or tree.

### Bench

The standard bench, which is fabricated by the Community Services Department, is 6' long with a metal frame and wooden slats. A 2" x 8" plaque of cast bronze, with up to three lines of print, is included on the top slat. It takes approximately four to six weeks for the bench to be fabricated. The total cost for the bench and plaque is \$950.

### Trees

Trees are 6' to 8' tall, depending on the species. Tree selection is determined by the variety that is best suited for the setting in which it will be planted. Your contribution of \$150 will allow your commemorative tree to be planted at the park of your choice. For an additional \$10, a memorial plaque naming the person of your choice will be mounted at an observance area in Todd Grove Park.

For more information on the Commemorative Bench and Tree Program, please contact Lory at the Community Services Department at 463-6231.
