

NEWS RELEASE

DATE: October 9, 2019
FOR RELEASE: IMMEDIATELY
THROUGH: November
SUBJECT: Controlled Traffic on Gobbi
INFORMATION: Scott Bozzoli, Project Manager

The next phase of Ukiah Electric's Gobbi Street Undergrounding project is underway. This project will beautify Gobbi Street by removing the overhead electric, phone and cable wires.

Starting on Thursday October 10th, the City of Ukiah's contractor St Francis Electric, will be performing work to install infrastructure to underground the existing overhead lines on Gobbi Street between State Street and Main Street. **Businesses will remain open during construction.**

During this phase of the project, controlled traffic will be in effect on Gobbi with some construction delays. Thank you in advance for your patience, if possible, please consider using an alternate route.

Further questions regarding this project should be directed to Scott Bozzoli, Project Manager at 707-467-5775. Thank you.

Sage Sangiacomo, City Manager
