

# BE PREPARED FOR WILDFIRE!

## Sign Up for Alerts:

CITY OF UKIAH ALERTS: [www.ukiahpolice.com](http://www.ukiahpolice.com)

COUNTY ALERTS: [www.MendocinoCounty.org/MendoAlert](http://www.MendocinoCounty.org/MendoAlert)

## Create a Lean, Clean and Green Zone

ALWAYS maintain a defensible space and be prepared to evacuate.

### PLAN. KNOW. ACT.

#### **Within 5 feet of structures:**

Clear all vegetation.

#### **Within 30 feet of structures:**

Remove all brush.

#### **Within 100 feet of structures:**

Thin trees, trim all branches within 6-10 feet of the ground, remove all dead leaves and debris, and mow all grass.

**Gutters:** Remove leaves, needles and other debris.

**Roof:** Remove dead branches that extend over it.

#### **Under structures and decks:**

Remove leaves, rubbish and stored items.

#### **Propane tanks and barbecues:**

Clear a 10-ft. area around them.

**Fireplace:** Make sure it has a screen cover.

**Firewood:** Store at least 30 ft. from structures, if possible, and remove all vegetation within 10 ft.

**If you have an emergency water source:** Clearly indicate it, including storage tanks, pools, ponds, etc.

**Make sure your street address is visible and your driveway is accessible.**

**Fire trucks need 13' vertical and horizontal clearance.**
