

NEWS RELEASE

DATE: September 23, 2020
 FOR RELEASE: IMMEDIATELY
 THROUGH: Friday, October 2, 2020
 SUBJECT: Street Slurry Seal Project in Ukiah
 INFORMATION: Daniel Flores, Department of Public Works, 707-463-6282

The City of Ukiah has awarded a contract to Pavement Coatings Co. for the construction of slurry seals on various streets in Ukiah. This project is being funded by the Measure Y Sales Tax.

Work will occur between 7:00 AM and 6:00 PM. Please use an alternate route during the hours of work. No cars will be allowed to park on these street sections during work hours. Please remove all objects from the street, including basketball hoops. Please do not drive, walk, or bicycle on these streets until permitted by the construction crew. Also, please do not allow pets outside during the street closure. Our goal is to complete the work as quickly as possible, which will benefit all of our residents.

If construction work is scheduled for the same day as your normal Solid Waste pickup day, continue to place your bins where you normally would, as pickup will still occur. If possible, please remove your bins from the street once they are empty.

Further questions regarding this project can be directed to Daniel Flores, Engineering Technician at 707-463-6282. We thank you for our patience and understanding.

Below is the schedule for all street sections by day:

MON SEPT. 28
