Zoning Administrator Stump:
- Acknowledged that the only persons in attendance today are the property owner and the applicants and therefore, dispensed with the staff report.
- Inquired about the proposed hours of operations for the project.

Associate Planner Faso:
- The applicant proposed limited hours of operation, i.e., Wednesday thru Sunday from 8:00 a.m. to 7:00 p.m.
- Staff recommends traditional retail type hours of operation so that the applicants have the option of extending their hours of operation from what is being proposed in which case the applicants would not have to amend their use permit.

PUBLIC HEARING OPENED: 2:09 p.m.

Tom Segar, Property Owner:
- The site provides ample parking for customers.
- Elaborated on the building complex and tenants on the site.
- The new retail store located in Unit F will have roll-up doors.
- Supports approval of the proposed use permit.

Zoning Administrator Stump:
- Asked if the applicants had any questions/concerns regarding the project conditions of approval including the required bike rack that must be installed prior to occupancy.
• Application for a sign permit from the Planning and Community Development Department is required prior to installation of any signage.

Glen Dye:
• Had no questions or concerns regarding the project findings or conditions of approval and agrees with staff’s analysis of the project.
• An application for a sign permit has been completed.

There was a brief discussion pertinent to the appropriate location for the bicycle rack.

Public Hearing Closed: 2:17 p.m.

Zoning Administrator Stump:
• Has visited the site.
• Likes the project.
• Appears the variety of business types operating in this heavy commercial zoning district are compatible and work well together.
• Is of the opinion the proposed new business would not impact any heavy commercial business operating in the area and, it is highly unlikely the heavy commercial businesses operating in the area would have an impact on the proposed new business.
• Approved Minor Use Permit 12-08-UP-ZA with Findings 1-6 and Conditions of Approval 1-17.
