

ORDINANCE NO. 1176

ORDINANCE OF THE CITY COUNCIL OF THE CITY OF UKIAH AMENDING CHAPTER 8 IN DIVISION 6; TABLE 3 IN SECTION 9223.1 OF ARTICLE 18, CHAPTER 2 IN DIVISION 9; AND SECTION 9254 IN ARTICLE 19, CHAPTER 2 IN DIVISION 9 OF THE UKIAH CITY CODE, ENTITLED "MEDICAL MARIJUANA DISPENSARIES"

The City Council of the City of Ukiah hereby ordains as follows.

SECTION 1

Chapter 8 in Division 6 of the Ukiah City Code is hereby amended to read as follows:

§ 5700 FINDINGS AND PURPOSE

The City Council adopts the ordinance codified in this Chapter based upon the following findings:

(A) In 1970, Congress enacted the Controlled Substances Act ("CSA") which, among other things, makes it illegal to import, manufacture, distribute, possess or use marijuana in the United States.

(B) In 1996, the voters of the state of California approved Proposition 215, or the Compassionate Use Act of 1996, codified at Health and Safety Code §11362.5 *et seq.* (the "Act").

(C) The Act creates a limited exception from criminal liability for seriously ill persons who are in need of medical marijuana for specified medical purposes and who obtain and use medical marijuana under limited, specified circumstances.

(D) On January 1, 2004, SB 420 went into effect. SB 420, codified as Health and Safety Code §§ 11362.7 – 11362.83 and known as the "Medical Marijuana Program" ("MMP") was enacted by the state legislature to clarify the scope of the act and to allow cities and other governing bodies to adopt and enforce rules and regulations consistent with SB 420.

(E) After the enactment of the MMP and in response to the MMP's explicit reservation of local authority to regulate medical marijuana cultivation and distribution, the City Council took legislative notice of the fact that California cities and counties that had permitted the establishment of medical marijuana dispensaries had experienced serious adverse impacts associated with and resulting from such dispensaries, including an increase in crime, including burglaries, robberies, violence, illegal sales of marijuana, use of marijuana by minors and other persons without medical need in the areas immediately surrounding such medical marijuana dispensaries; and malodorous smells, indoor fire hazards, mold, fungus, and pests caused by indoor cultivation at dispensaries.

(F) To address these potential adverse impacts, in 2007, the City Council enacted Ordinance 1095, §1 ("Medical Marijuana Dispensaries Ordinance"), which prohibited and declared a public nuisance medical marijuana dispensaries in the City of Ukiah.

(G) The 2007 Medical Marijuana Dispensaries Ordinance also states that the City Council's intention is to prohibit the operation and location of dispensaries in the City "until such time as their legality is clearly established and a proposal can be developed that would satisfy the city council that the facility could operate without causing [serious adverse impacts]".

(H) On October 9, 2015, the Governor signed into law AB 266, AB 243, and SB 643, which together comprise the Medical Marijuana Regulation & Safety Act ("MMRSA"). The MMRSA, which went into effect on January 1, 2016, created a statewide regulatory structure for the medical marijuana industry that also allows local governments to regulate the operation of marijuana businesses within their jurisdiction, pursuant to local ordinances. Specifically, the MMRSA allows the City of Ukiah to issue permits or licenses to operate marijuana businesses or prohibit their operation, to regulate or expressly prohibit the delivery of medical marijuana within its boundaries, and to regulate or expressly prohibit the cultivation of marijuana within its boundaries. Pursuant to the MMRSA, if the City opts not to expressly prohibit or regulate the cultivation, processing, delivery, and/or dispensing of medical marijuana, the State will be the sole licensing authority for these activities in the City.

(I) To protect the public health, safety, and welfare, it is the desire of the City Council to modify the City Code consistent with the MMP and the MMRSA, regarding the location and operation of medical marijuana dispensaries, delivery of medical marijuana within the boundaries of the City, and cultivation of medical marijuana within the boundaries of the City.

(J) There have been a number of marijuana dispensing-related incidents in California, some including acts of violence committed by persons without a legitimate medical need to use marijuana.

(K) The City Council finds that medical marijuana dispensing which exceeds the limitations set forth in these regulations will likely result in an unreasonable risk of crime and other adverse impacts and will likely create offensive odors to persons living nearby.

(L) It is the City Council's intention that nothing in this Chapter shall be construed to (1) allow persons to engage in conduct that endangers others or causes a public nuisance; (2) allow the use of marijuana for non-medical purposes; or (3) allow any activity relating to the distribution or consumption of marijuana that is otherwise illegal.

(M) Pursuant to California Health and Safety Code § 11362.71 *et seq.*, the State Department of Health through the state's counties, is to be responsible for establishing and maintaining a voluntary medical marijuana identification card program for qualified patients and primary caregivers.

(N) Health and Safety Code § 11362.71(b) requires every county health department, or its designee, to implement a procedure to accept and process applications from those seeking to join the identification program in the manner set forth in § 11362.71 *et seq.*

(O) This Chapter is compatible with the general objectives of the general plan, in that a Medical Marijuana Dispensary use will be conditionally permitted in commercial and industrial districts, being similar to other permitted and conditionally permitted uses, such as pharmacies and medical clinics, and in that the use will be subject to strict review and conditions.

(P) This Chapter will not be detrimental to the public health, safety and general welfare or adversely affect the orderly development of property, because the uses permitted under this Chapter will be subject to careful review, limited in scope and location, and subject to strict operating requirements, avoiding or limiting potential negative effects.

(Q) It is the purpose and intent of this Chapter to regulate medical marijuana dispensaries in order to promote the health, safety, morals, and general welfare of residents and businesses within the City.

§ 5701 INTERPRETATION AND APPLICABILITY.

(A) This Chapter is not intended to create a positive conflict with the CSA, but rather to implement the MMRSA and related state laws.

(B) Nothing in this Chapter is intended, nor shall it be construed, to exempt any marijuana-related activity from any and all applicable local and state construction, electrical, plumbing, land use, or any other building, fire, or land use standards or permitting requirements.

(C) Nothing in this Chapter is intended, nor shall it be construed, to make legal any cultivation, transportation, sale, or other use of marijuana that is otherwise prohibited under California law.

(D) All processing and distribution of medical marijuana within City limits shall be subject to the provisions of this Chapter, even if the processing, distribution, or cultivation existed or occurred prior to adoption of this Chapter.
