Project Description

Please attach a written project description including summary of work (both interior and exterior for construction and operation) and/or business proposed. The purpose of the project description is to assist Staff in understanding the project. The project description will also be included in the Staff Report required to review (and ultimately approve or deny) the planning permit. Providing complete information will help expedite the project review process and in determining what additional information, if any, related to the project and required environmental review is required.

Environmental Review and Reports

Please be aware that projects are required to comply with the California Environmental Quality Act (CEQA). Projects will be reviewed by Staff for compliance with CEQA and Staff will determine the appropriate CEQA document to prepare for the project (exemption, negative declaration, etc.). In order to make this determination, specific reports (traffic, arborist, soils, etc.) and or additional information may be required.
